**ASPHALT
DRIVEWAYS PARKING LOTS REPAIRS SEALING**

GEVERS PAVING CO., INC. proposes to furnish all labor, materials, and equipment required to do the following work at the location below.

Description	Total:
<p>JOB: Golf Club of Wetzville To clean and apply SS-1, a binding agent, existing asphalt paths. To pave the same with 2" of compacted commercial grade asphalt. The asphalt will be laid by a mechanical paver (where applicable), hand luted, and compacted by a power roller. The edges will be hand tamped on an angle. *Gevers Paving is not responsible for the grass along the edges of the asphalt.</p> <p>OPTION: To crack and fill path with asphalt and hot rubberized crack filler, depending on the size of cracks. To clean and seal the path with 1 coat of premium sand sealer- \$33,909.00 *No alligatored areas will be crack filled.</p>	<p>125,792.00</p>
<p>Parking lot- To clean and seal approximately 4,940 sq. yds. of existing asphalt with (2) coats of premium sand sealer. The first coat will be applied by squeegee and the second coat by mechanical sprayer. To stripe as it was prior to sealing. *Includes installing hot pour rubberized crack filler to any straight line cracks 1/4" or wider (No alligatored areas). Work to be completed in two days.</p>	<p>16,821.00</p>

Invoice in full will be rendered upon completion of work. Payment in full shall be made within 10 days following completion of work.

If this proposal meets with acceptance, kindly sign and return the attached copy which thereupon becomes a contract between us subject to terms and conditions stated on the reverse side.
